

VOLUNTEER DRIVERS NEEDED

The Greenfield Veterans Honor Guard provides, free of charge, transportation for Veterans to their medical appointments at Roudebush VA Hospital and the Shelbyville extension. This is accomplished through the DAV Transportation Network Program and the Department of Veterans Affairs Medical Centers.

The individuals are all Veterans from Hancock County, and the drivers are all volunteers (being a Veteran is not a requirement). Without this service, many Veterans would not be able to have transportation to their appointments.

If you are interested in volunteering please contact Jerry Carter, Hancock County Coordinator, at (317) 691-8281 or via email at greenfieldveteranshonorguard@gmail.com.
